INDEPENDENT AUDITOR’S REPORT

To the Board of Directors
OccuPaws Guide Dog Association
Cross Plains, Wisconsin

We have audited the accompanying statement of financial position of OccuPaws Guide Dog Association as of December 31, 2011, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of OccuPaws Guide Dog Association’s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of OccuPaws Guide Dog Association as of December 31, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

OccuPaws Guide Dog Association is a nonprofit organization that is an innovative, creative and life-changing organization dedicated to empowering the visually impaired while raising awareness and education for both adults and children. OccuPaws' mission is to place fully trained guide dogs of excellent health and temperament with Wisconsin and contiguous state residents (adults and children) who have visual impairments at no charge. OccuPaws is funded primarily by contributions and special events. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

OccuPaws is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets - Net assets that are not restricted by donors. Designations are voluntary board-approved segregations of unrestricted net assets for specific purposes, projects, or investments.

Temporarily restricted net assets - Net assets whose use has been limited by donor-imposed time restrictions or purpose restrictions.

Permanently restricted net assets - Net assets that have been restricted by donors to be maintained by OccuPaws in perpetuity.

Accounts Receivable

OccuPaws considers all receivables to be fully collectible. Accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Furniture and Equipment

Acquisitions of furniture and equipment are capitalized at cost. Depreciation is provided using the straight-line method over the estimated useful lives of the assets.

Contributions

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.
NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by OccuPaws. Volunteers also provide various services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria are not met.

Income Tax Status

OccuPaws is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. OccuPaws’ federal exempt organization returns are subject to examination by the Internal Revenue Service, generally for three years after they are filed. With few exceptions, OccuPaws is no longer subject to such examinations for tax years before 2008.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Date of Management’s Review

Management has evaluated subsequent events through February 10, 2012, the date which the financial statements were available to be issued.
